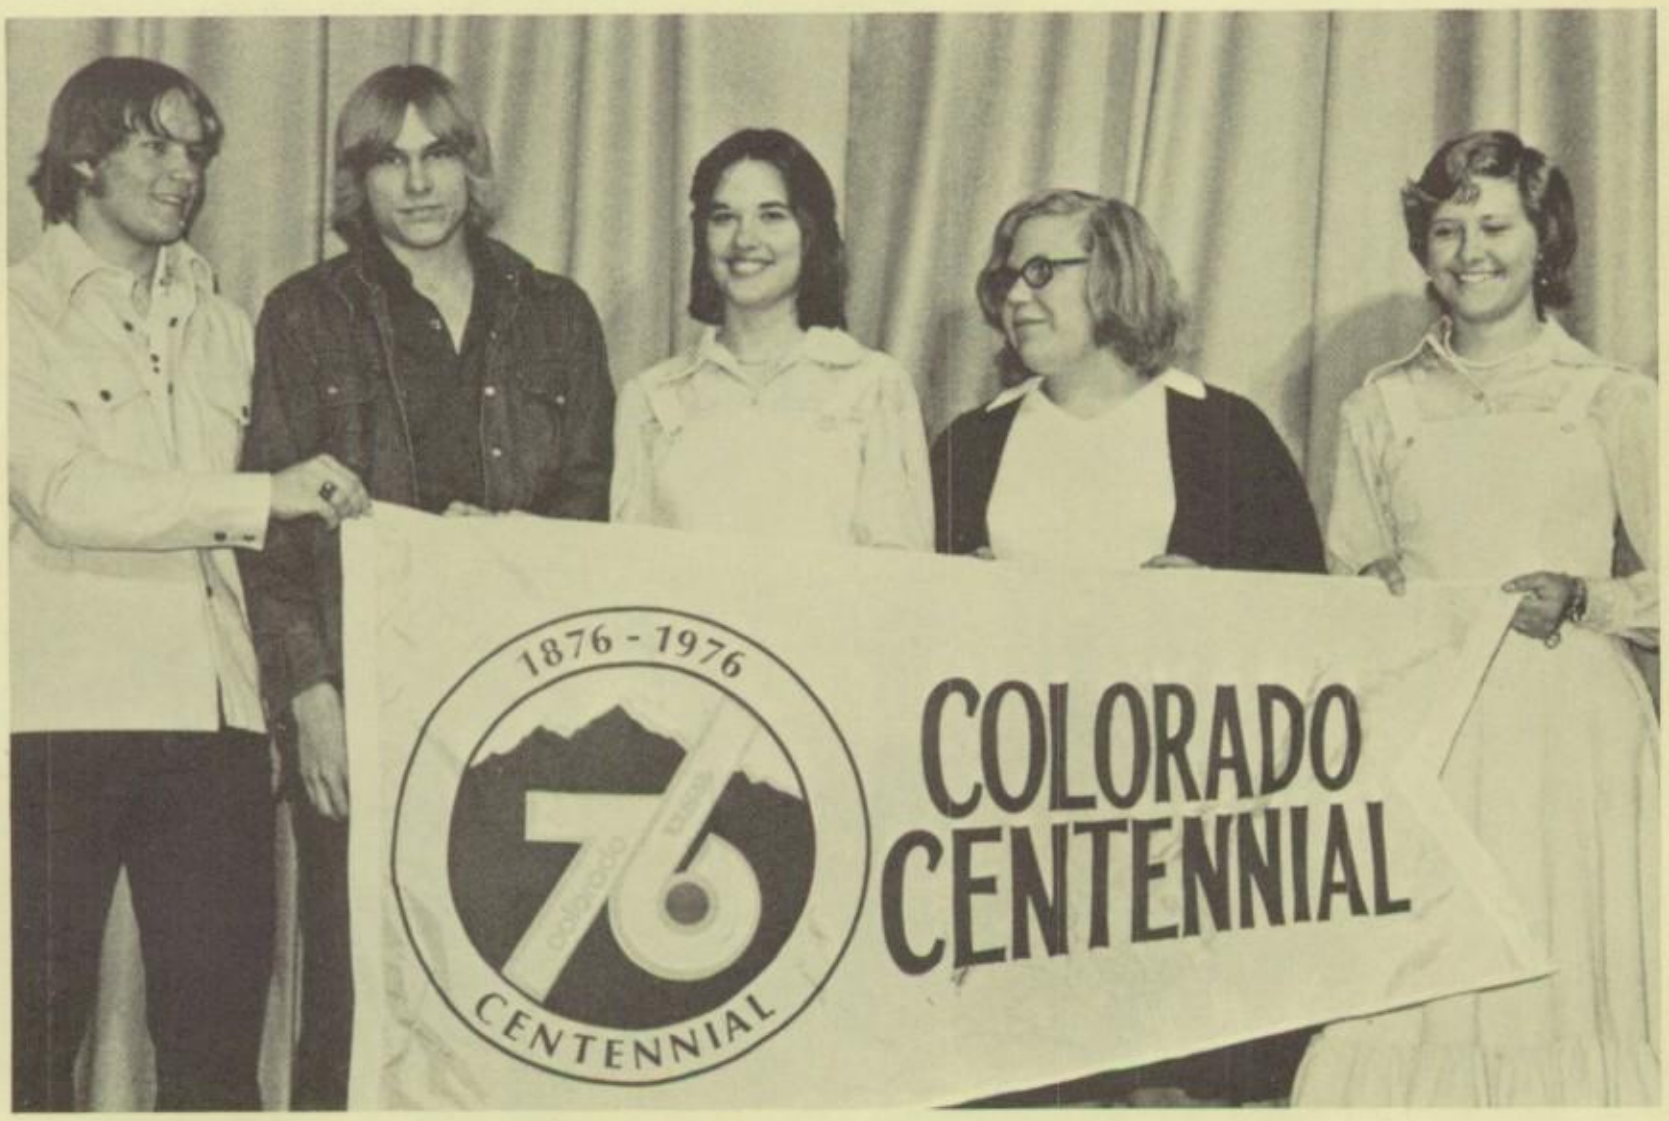
VALLEY DESIGNATED CENTENNIAL-BICENTENNIAL SCHOOL



As always, Valley was first - the first high school in Weld County to achieve the high honor of being a Centennial-Bicentennial school.

The five Seniors who had participated in the Centennial Topics Class accepted the Centennial-Bicentennial flag for Valley on March 30, 1976 during a special assembly.

There were many flamboyant speeches and the Valley Singers brought the crowd to its feet with their vivacious songs.

The Centennial Topics Class, heroically led by Mrs. Reeves, was made up of brilliant students selected for their skills in four areas: English, Science, Art and Speech. The Art students skillfully painted a mural on the gym wall depicting the new frontier, the years of the Civil War and Colorado's statehood. The English students, with the help of other English classes, wrote a newspaper full of memories contributed by the older residents of the community. The Speech class assembled a presentation on the Bicentennial and the Science class beautified the Gilcrest rest stop.

The teachers who helped supervise in the different areas were Mrs. Cogburn for Art, Mrs. Underwood for English, Mrs. Terrones for English and Ms. Schiffner for Speech.

The class members and sponsors are to be congratulated for their fine achievements and for the recognition that they brought to the school.

VARSITY FOOTBALL

Although Valley had the best overall record in the Southern Division, we did not make it to the play-offs, due to alot of injuries late in the season. Some of the injuries included a broken leg to John Tappy, a broken wrist to Owen Schaeffer and broken arms to Ron Kern and Brian Bostron.

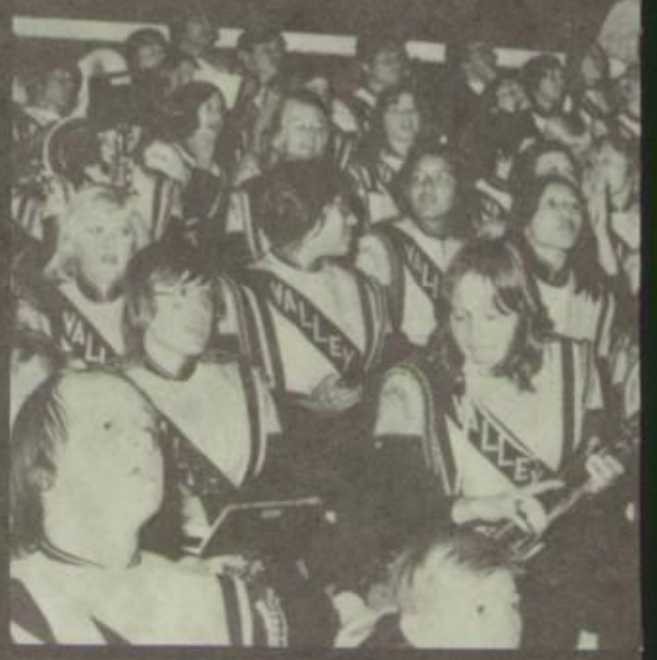
HOME-COMING



This year's Homecoming was great! Wed. was Grub Day and hall decorating. The juniors won, seniors took 2nd and sophomores 3rd. Thurs. was Movie Star Day and the Tug of War which proved we have a few celebrities and strong girls. Fri., the BIG day, started with a pep assembly and Black and White Day, followed by the bonfire and the game with Erie which we won 19-8. Bina Sanchez was our queen. The dance finished the week of fun, excitement and SPIRIT!

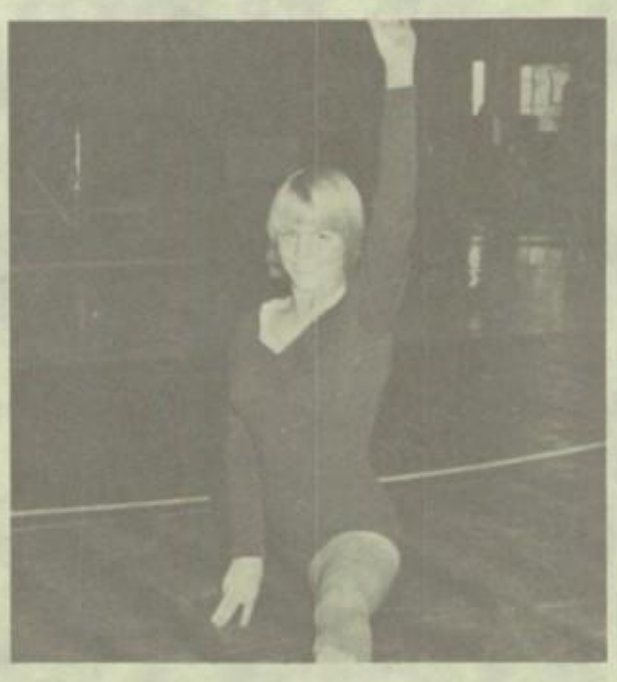
During the season the Gymnastics team could have been and was called General Hospital. There were sprained ankles, broken toes, dislocated elbows, blistered hands and broken hands. Taking all this into consideration the Gymnastics team did pretty well. Fourteen girls competed in league and team placed 3rd, the placings are as follows: Bars-open Barb 2nd, intermediate-Kim 1st, Jo 4th, Jenny 6th, Beam-Roz 3rd, Kris 6th, Vault-open Barb 3rd, Kim and Suzette 3rd, Floor-Kris 3rd, State qualifiers were Kim, Barb, Pam, Kris, Suzette, Roz and they placed 8th. Special recognition should be given to Gayla who dislocated her elbow during mid season and was unable to compete, and also to Jamie who broke her hand just before state.

Hey, look I can fly!

Around we go!

The team will miss ya.



VALLEY VOLLEYBALL #1

VIKINGS VICTORIOUS IN STATE AA TOURNEY

Cries of V-I-C-T-O-R-Y rang out in the gym of Thornton Highland High School at the first State AA Volleyball tournament. It was a raging war between rival Platte Valley and the stupendous Viking team. It took three games for Valley girls to taste the thrill of victory with the final scores 15-17, 15-12, 15-10. With the superb coaching of Ann McKay and student teacher Kathy McNeill, the Vikings proved that they were indeed Number One.

The Junior Varsity and Freshmen teams showed their great potential as future state champions by their excellent play throughout the season.

Thanks to Tim Chacon and Co., the cheerleaders, Vikingettes, and the support of all the fans, this year was a great success that helped add to Viking spirit and pride.

The Valley High wrestling team was plagued with problems from the start. There were only eight returning lettermen, making the team young and unexperienced. There were also many injuries. Owen Schaeffer's broken wrist, which was a late football injury, kept him off the mat the entire season. Operations toward the middle of the season on Brad Schoneman and Robbin Peppler also affected the team.

Valley took fifth at districts with Jesse Barrera placing third, Bruce Sandau placing third, Ron Kern placing fourth, Gabe Barrera placing third and Bennie Montoya placing fourth.

The Girl's track team was an enthusiastic one this year. Out of the sixteen members, eight of them were freshmen who looked very promising. Taking four firsts this year, Gayla Richardson showed much leadership as the captain by doing well in all of her events. Other upperclassmen who displayed leadership were Marci Baker, Rhonda Simants, and Ronella Whittaker.

The 880 Yard relay, consisting of Gayla R., Kristie C., Marilu M., and Kathy B., went to state this year. Gayla also went to state with her 80 yard low hurdles. Kristie C. qualified for state in the long jump and took third at the state meet with her jump of $16'6\frac{1}{2}"$.

The boys' 1976 track season went very well. They had good meets all season, especially Freshmen-Sophomore meet, May 17, at Ft. Lupton. They placed third out of twelve schools attending. Luke Gonzales took first in both the 100 yd. dash and the 220. Dennis Dugan took first in shot. The 880 yd. relay, Luke Gonzales, Aaron Salazar, Rod Russell, and Antony Gamma, did well too.

The team only had two state qualifiers-Tim Chacon in shot and Kevin Colson in long jump. Tim took 7th and Kevin took 6th at the State Meet in Canon City.

Precious Moments

Our 1976 Prom was held on the night of May 8, in the Ball room of the Elks Club. The band, Dynaflow, was FANTASTIC, and the punch and cake wasn't bad either. The crowning, the highlight of the evening, was at 10:15, with Queen, Kelly Schmidt and King Tim Chacon making their debut. Their attendents were Bina Sanchez, Robin Long, Pam Cogburn, Guy Boyer, Owen Schaeffer, and Ron Matsushima. All in all it was a fantastic evening and the Juniors did a great job putting it together.

annual staff

Bottom Row: Gwen Ortiz, Bina Sanchez, Kelly Schmidt. Top Row: Robin Long, Kim Olin, Jenny Davis, Gayle Dent, Leisa Kline, Bethel Simmons, Beth Erickson, Kim Wagner, Joyce Hause.

This year proved to be hectic and rewarding for the Valley High annual staff. To raise money, the staff proved to be convincing salesmen by selling the most ads ever for the back of the annual. They also attended a yearbook clinic in Windsor and won second place with a page layout done by Joyce Hause. The members of the staff were awarded their names printed in silver on their annuals. Jenny Davis and Kim Olin, with the help of the Kuhlmanns, developed pictures for the staff. Last, but not least, the staff would like to thank Mrs. Kuhlmann, the sponsor. Without her patience and guidance, the staff could not have survived.

The International Relations Club, sponsored by Mr. Rogers, had a very busy year. The members stuffed themselves at three dinners to which they brought many different foreign dishes. The group celebrated Christmas with a small party. They attended conferences at Northglenn and Denver University, and saw the movie "1776." As a weekend trip, the members traveled to Colorado Springs where they met a few military officials and visited the Air Force Academy, Norad and Ft. Carson.

Student Council

Student Council is a main function of the school made up of students from the student body representing their clubs and classes. Student Council organizes Homecoming, a Muscular Dystrophy Drive, Slave Day and other fund raising projects for the school. They also sponsored a fostor child named Levy B. Capulong from the Philippines.

FBLA

FBLA is an organization that was formed to help students realize the skills necessary in obtaining and holding business and office positions.

The FBLA club had 19 girls that went to the district contest. Elaine Renke and Janet Stutts were the two people that placed. Elaine placed 5th in spelling and Janet placed 3rd in job training manuals.

The Seniors went to the state convention in Colorado Springs for 2 days. Valley was a host school.

SYMPHONIC BAND

On June 11, 1975, the "Pride of the Valley" Band had the honor of marching in the Kamehameha Day Parade in Honolulu, Hawaii, earning the 2nd place trophy. In addition to the parade, the band members went on a tour everyday they were in Hawaii. On Thursday, the day after the parade, band members toured the Dole Pineapple Cannery. Friday, a day that many people would like to forget, was the Pearl Harbor Cruise. Saturday we were at the Polynesian Cultural Center and Sunday on a tour at Sea Life Park. As Monday morning dawned, the members of the "Pride of the Valley" started to realize that their dream of a lifetime was about to come to a close.

Many memories have been shared and treasured this past year, so, in a way, all of us are still in Hawaii. A big "Thank You" goes to the parents, the band boosters and especially to Mr. Darrell Rains, without whom this trip would have been impossible.

The band has also been very busy this past school year. The fall season called for pre-game and halftime shows during the football games. A winter concert was given January 19, 1976. The annual Chili Supper was February 21st and Mexican Dinner was April 3rd. Both of these dinners were a tremendous success. Awards were given May 7th at the Pop Concert with the Symphonic and Concert Bands combined.

Valley Singers

The Valley Singers have been a busy bunch this year. Mr. Pearson, their sponsor, was very pleased with them this year. Some of their many activities this year were a trip to the mountains to get better aquainted and practice, performing for the Weld County General Hospital during Christmas, singing for the LaSalle, Gilcrest and Platteville Middle Schools. The group sang for many churches in the nearby communities. They also sang their hearts out on various other occasions including their concerts and a performance at the Bicentennial flag Presentation.

NEWSPAPER ★STAFF★

The newspaper isn't quite as easy as it looks. First the staff has to look up all the information for the articles. Then they have to type them, set the copy and then they send it to BOCES to be printed. This last year the newspaper staff has done quite a lot. they've had contests, such as halloween pictures and baby picture contest. They also had one for a new masthead, and the winner was Angelo Martinez. The staff came up with a new paper called a mini paper. This consists of one page and is distributed between regular papers.

The FHA always had something going this year. They first had the initiation of the new members. For this the new members had to wear red, white and blue hats all day, then that night they had a formal dinner and initiation service. During Homecoming week they painted the window at Town and Country, presented a skit called "Chicken Big" then they served at the Homecoming Dance. Later in the year they helped form a FHA Charter at University High, and had a Cystic Fibrosis drive. When Thanksgiving came around they delivered plates of cookies and goodies to senior citizens in LaSalle, Platteville and Gilcrest. At Christmas time they were still going strong. They had a Christmas Party and went Carolling. For FHA week in February they had Teachers Appreciation Day, Bicentennial Day, Pie Sale, Atheletics Appreciation Day and FHA Day.

Girl's Chorus

This year's Mixed Chorus was named Girl's Chorus since there were no boys in the class. They were a very active group throughout the year. The choir sang at the Weld State Music Festival in Greeley in April, the Gilcrest Baptist Church, Baccalaureate for the 1976 seniors and several different concerts for the high school and elementary schools.

To the graduating class

Accept our respect for solid accomplishment in turbulent times.

Take with you the burden of our hopes built on your youth and vigor.

Know that we wish you the best in the still more demanding years ahead of you.

Believe that happiness, goodwill and peace are indeed attainable human goals.
